Sullivan Community Council
Student Board Member Application

Hello High School Junior! Thank you for your interest in joining the Sullivan Community Council (SCC) Board.
The all-volunteer board is comprised of 14 adult Sullivan residents that help bring success to the mission of SCC, which is "to promote recreational activities for the benefit and welfare of the adult residents and children of the community with the cooperation of all community organizations." It is the goal of the Board to always have one male and one female student serving on the Board to provide a "voice" for the direction of sports, arts, technology and other type of programming and events we should be offering for the youth in the Town of Sullivan.

SCC Student Members are elected for a one-year term, which begins in January and ends in December. Student Board members are expected to attend monthly meetings held January to May and September to December of each year, as well as volunteer at least one department event throughout the year. Students of all backgrounds, hobbies and interests are encouraged to apply.

Please return this application to ldavies@tosparks.org or any SCC Board Member no later than October 16, 2026.
