A Message from the Town Supervisor,

It is hard to believe it is already August and the summer is almost behind us.

The Parks and Recreation Dept. has been busy with all different kinds of programs for our youth and adults. They offer a tremendous variety of activities including dance programs, tennis lessons, fitness programs, senior fitness programs, just to mention a few.

We also have a lot of other things going on in our community. The Wild Animal Park on Lakeport Road has been busy, and the construction of a new building called "The Haven" on New Boston Road will be used as a place to have wedding receptions and events.

The Oz Museum has also been busy, and their annual "OZ Parade" was a huge success with thousands of people coming to the "Land of Oz".

The Canal Boat Museum has also been busy this summer with many school trips and The Boat Float Event.

The Chapman Park Summer Concert Program has been a tremendous success this summer with record crowds coming to see Joe Whiting's performance.

"Tuesdays in the Park" at Dr. West Park has been very well attended by music and car enthusiasts. What a great place to see all types of cars, listen to music, and have a quick bite to eat.

If you have not noticed, Lakeport Road and Chestnut Ridge Road look like a million dollars with their new paving by the County. Our Highway Department has also been busy with paving around Creekview Path, Old Route 5 and Robinson Road, Gee Road, and Hitchcock Point Road. Our department does a fantastic job keeping our roads repaired and safe.

Our Fire Departments, EMS Units, and Highway Department have also been extremely busy especially with the events of the tornado in Canastota. It is unfortunate events like this that can bring a community together and help people in need.

As you can see, we have had a busy summer with all sorts of things happening. I hope all of you had a chance to join in some of the festivities.

Thomas G. Daviau
Town of Sullivan Supervisor
