Did you know...

The Sullivan Community Council and the Town of Sullivan require a 50-state background check, completed annually, on all instructors and volunteers?

We're doing our part to keep all participants safe!

Hello everyone,

I think spring is starting to arrive, although it doesn't seem like it with the chilly temperatures.

A few things have changed since the last flyer. The Point Place Casino is up and running and has been a big plus for the Bridgeport area. What we need now is some spin off businesses to come to the area around the casino. New York State has passed the budget finally and again Madison County is getting the 2.25 million dollars for lost community benefits for slot gaming at the Yellow Brick Road Casino as well as Point Place. This number is about 25% of the state's 25% of slot gaming. The state gets no cut of table games at either casino. Madison County has given 25% of that money to the Town of Sullivan as well as the Village of Chittenango for lost community benefits.

The Town will be paving around 350,000 dollars in parking lots as well as rehabbing the tennis courts at Sullivan Park at zero impact to the budget. The last time they were done is about 40 years ago, so they last. This work will be done though out the summer.

On another note, Matt Paduano has opened his Lakeport Market. Matt lives in the Town of Sullivan and has chosen to invest in our community. Stop by to say hi to Matt and his family and get a cup of coffee. About half the sales tax that the Lakeport Market generates stays here in Madison County and the Town of Sullivan.

The Town Board would also like to welcome Peter Bardou as our new Parks & Recreation Director. Pete is familiar with our programs and will make a great fit.

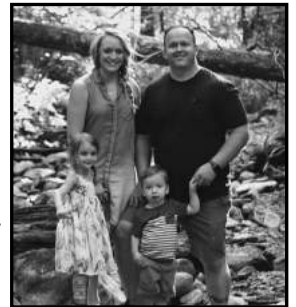

Again, have a great spring!

John Becker

A Message from the Director of Parks & Recreation...

My name is Peter Bardou, and I am the New Director of Parks & Recreation Department for the Town of Sullivan. I can't express how excited I am to be welcomed back to this community; a community that embraces their Parks & Recreation Department!

We have hit the ground running, as this spring/summer will be a busy time for the Parks & Recreation Department. Our lineup is extensive, and will bring a plethora of recreational opportunities to the town for all ages! Our goal as a department is to continue to provide quality facilities and valuable programming to meet the needs of the community.

The door to the Parks & Recreation Department is always open, please if you aren't familiar with the service we provide to the community, stop in, give us a call, or drop us a note....we would be more than happy to take your questions, concerns, or feedback.

"In my view, wholesome pleasure, sport, and recreation are as vital to this nation as productive work and should have a large share in the national budget."

-Walt Disney

Host a British LEGO Instructor, it's easy and fun!

The instructors of your LEGO & Star Wars camp will stay with local families in your community for the duration of the camp week. This has become one of the most popular elements of the LEGO & Star Wars Camp Program. For the week of camp we are looking to recruit some host families for the instructors to stay with when delivering camps. In return for this fantastic opportunity your family will benefit from a week long cultural exchange and receive a free camp. All that needs to be provided is housing and meals. If you are interested, please contact the Parks & Rec. office at 315-687-3471 and register your interest for the host an instructor program.
