A Message from the Town Supervisor,

Happy Holidays to all our residents and visitors in the Town of Sullivan. Having just completed almost one full year of my term, it's been really interesting and an exciting time in the town with lots of projects starting and future projects in the works.

One of the larger projects is the expansion of the gaming floor at Point Place Casino and adding a 100 room hotel. This exciting project is set to open in the late summer or fall of 2025.

Another project going on is The Haven on New Boston Road. This Wedding Reception Event Center is also set to open in 2025. Already open are eight Airbnb units with four of them looking out at the lions and four of them looking at the tigers.

As you can see, the Parks & Recreation Dept. has been busy getting their winter programs together under the supervision of Lori Davies. We certainly offer a variety of activities for all our youth, adult and senior residents of our community. We'd like to thank Robin McCombie for all her years of service as she is retiring this month.

The Chittenango Landing Canal Boat Museum has been busy with their projects getting ready for the spring when many of the area school districts come visit for a day to learn about the history of the Erie Canal. The old store has been completely remodeled and a sincere thank you to all of those who helped make this happen.

In closing, I just want to thank all the people who have helped us at the Town to make this an incredible year. I know many more exciting things are going to happen in the future.

Respectfully,

Thomas G. Daviau

Town of Sullivan Supervisor

A Message from Bill Pindle, Fire Inspector

We need your help to keep you and your family safe with the use of fire and carbon monoxide alarms. I just finished reading the fire watch portion of the NFPA journal magazine and I am very concerned about the amount of fires that there are lately throughout the US. Too many fatalities are happening from the lack of fire and carbon monoxide alarms. We have become very complacent with the lack of fire and carbon monoxide detectors. Please have a minimum of one fire alarm in each bedroom, one in each bedroom hallway and cellar. A minimum of one carbon monoxide on each level of your home and your business as well. If you do not have one of these alarms, please take the time to give one of us a call and we will see that you receive an alarm.

PM Cardio Dance— This class is for anyone who wants to express themselves through dance and work up a sweat with great music and user friendly choreography.

Pound— Pound is a full-body cardio workout using drum sticks and rocking music.

AM & PM Yoga—This class combines gentle movement with restorative. Relaxing poses to calm the nerves and restore your body.

Boot Camp—Combination of cardio and strength training.

NOTE: Forever Fit and Morning Cardio and Morning Boot Camp are NOT included in the Unlimited Fitness Program.
