

# Town of Sullivan Summer Virtual Flyer

## A Message from the Director!

As we move into the summer season, we all will be experiencing our typical summer activities and routines a bit differently. Our department is no different, as we are facing challenges to provide recreation opportunities for this wonderful community. The Town of Sullivan Parks & Recreation Department has been hard at work making modifications to our programming so the community can still participate in the programs they enjoy. We hope that you are up to experiencing recreational programming that is non-traditional, and virtual as we put the health and wellness of the community as our top priority.

Many of our beautiful park amenities may be closed for the time being, but get out and enjoy the parks, go for a walk on that trail you've never been on, grab some green space and take in the nature you're surrounded by. Enjoy the opportunities available to you and your family in our current state of affairs. We look forward to returning to normal, but we will make the best of the current "normal"

We are all in this together!

Peter Bardou  
Parks & Recreation Director
